

THE MYCIGNA APP AND MYCIGNA.COM

Your pharmacy coverage information at your fingertips – 24/7

We want to help you get the most from your pharmacy benefits and that means getting the information you need when you need it. The best place to start is the myCigna® App or myCigna.com – your “go-to” for everything you need to know about your plan’s coverage.

See which medications your plan covers. You have hundreds of generic, preferred brand, and non-preferred brand medications to choose from.

Compare your medication costs. Prescription prices vary by pharmacy. Use the Price a Medication tool to see how much your medication may cost at the different retail pharmacies in your plan’s network and through Express Scripts Pharmacy®, our home delivery pharmacy. You can also see if there are lower-cost alternatives available.*

Easily manage all of your prescriptions on the My Medications page.

Click on the Prescriptions tab in the myCigna menu to access My Medications.
